INFORMED CONSENT: CHIROPRACTIC CARE & ADJUSTMENTS

I hereby request and consent to receiving Chiropractic Manipulations (Adjustments) and other Chiropractic procedures, including various Physical Therapy Modalities, Exercise Therapies and any other Supportive Therapies as deemed appropriate by the Doctors of Chiropractic and performed by the Doctors of Chiropractic or Licensed Support Staff employed by, associated with, or serving as back-up support for, AHCC now or in the future.

I understand and am informed that with Chiropractic care, as in the practice of medicine and all other health care modalities, results are not guaranteed and there is no promise of a cure. I further understand and am informed that, while Chiropractic care is remarkably safe and effective and provides many patients with benefits including pain relief and enhanced health, there can be associated risks, just as in the practice of medicine. Potential risks include, but are not limited to: soreness, fractures, disc injuries, rib injury, physiotherapy burns, soft tissue injury, stroke, dislocations and sprains. With that understanding, I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgment, which is in my best interest, during the course of the procedure the doctor has deemed appropriate at that time based upon the facts then known.

I also understand that there are treatment options available for my condition other than Chiropractic procedures. These treatment options include, but are not limited to: rest; self-administered care; over-the-counter analgesics; medical care with prescription drugs such as anti-inflammatories, muscle relaxants and pain killers; physical therapy; steroid injections; bracing; and surgery. I understand and have been informed that I have the right to a second opinion and to secure other opinions if I have concerns as to the nature of my symptoms and treatment options.

I acknowledge that the Doctor of Chiropractic has discussed with me the following items:

- Explanation of my current condition;
- Proposed Chiropractic procedures;
- Risks of not receiving or undergoing any treatments or procedures.

I have read, or have had read to me, the above consent. I have also had the opportunity to ask questions about its content. I intend this consent to cover the entire course of treatment for my current condition and for any future condition(s) for which I seek treatment. This consent is for Chiropractic care and procedures to be performed on me, or for the patient named below (for whom I am legally responsible), whether in my presence or absence.

We care for individuals of all ages and welcome referrals.

OFFICE POLICIES

Firearms: Firearms are not allowed on the premises of any AHCC clinic or office.

Changes/Updates: Patients are responsible for promptly notifying clinic of any changes in their insurance coverage, contact information, legal guardianship, or other pertinent data that may affect their billing or care.

Appointments: It is important that patients follow the recommended plan of treatment to maximize their healing and recovery time. If you need to reschedule an appointment, it is appreciated if you can contact our office within 24 hours prior to the appointment. Our clinics also will do our best to accommodate walk-in appointments or same-day appointment requests.

Email Reminders: AHC offers Email appointment reminders as an option to patients.

> ***Note: Time sensitive issues such as medical emergencies should not be communicated via email because hours may pass between when a message is sent and when it is received and acted upon. Sensitive and highly confidential subjects should not be discussed because of the potential for the messages to be intercepted or transmitted to unintended recipients.***

Text Reminders: AHC offers Text appointment reminders as an option to patients.

> ***Note: Text messages will be sent for patient appointment reminders only. Any changes to appointment dates and/or times must be made via phone or in person. Text responses will not be received by Absolute Chiropractic Health. Standard text messaging rates may apply.***

FINANCIAL POLICIES

Payment Methods: Our clinics accept Cash, Check, Credit/Debit Cards (Mastercard/Visa).

Claims Submission: As a courtesy, AHC will submit claims to your primary insurance and, if applicable, your secondary insurance on your behalf. This includes Medicare and Medicaid. Please submit a copy of all insurance cards upon arrival.

Insurance Verification: As a courtesy, AHC will call to verify benefits and eligibility; however, AHC is not responsible for any erroneous data provided to us by your insurance carrier. AHC does not guarantee that your insurance will pay. Patients are responsible for understanding their health care policy benefits and limitations. If for some reason your insurance claim is denied, you are responsible for the full amount of the bill. If you have any questions regarding your eligibility or benefit coverage, please contact your insurance carrier to discuss your policy.

Deductibles, Copays, and Non-Covered Services: Payment of Deductibles, Copays and Non-Covered items are due at the time of service. Please be prepared to pay upon appointment check-in.

ChiroHealth USA: Is a Medical Discount Plan that provides service discounts through plan participation with ChiroHealth USA and it is not a health insurance plan. This is available to ALL patients interested in receiving a discount for services not covered by insurance and for high deductible insurance plans. It involves an affordable annual membership that covers the patient and immediate family members. Ask for a brochure, or speak with clinic staff for more information.

Work Comp: If a Worker's Compensation carrier does not accept liability, the patient will be financially responsible for all services.

Personal Injury & Auto: Charges will be submitted to the applicable insurance company (auto, health, liability, responsible party's insurance). Denied services will be the patient's responsibility.

Minor Patients: The legal guardian accompanying a minor is responsible to authorize treatment and provide payment for services. Billing statements will be sent to the legal custodian.

Medicare: Please note that Medicare does not pay for all of your health care costs; however, even though Medicare may not pay for a service, it does not mean you should not receive that service. Medicare Part B recognizes payment for the following Chiropractic services only: Spinal Manipulation (a/k/a Chiropractic Adjustment).

A calendar-year deductible is required for all Medicare patients. After your deductible has been met, Medicare pays 80% of the approved Spinal Manipulation. The patient is responsible for the remaining 20% Co-insurance.

Non-covered items that are the patient's financial responsibility are: Exams, X-rays, Extremity Adjustments, Therapies, Nutritional Supplements, DME's/Supports, Exercise Programs, and Maintenance Care. Please note that it is our policy to obtain X-rays and perform periodic Exams as part of our treatment protocol, even though they are Non-Covered services. If the Covered service (i.e. Chiropractic Adjustment) is likely to be denied as maintenance care, our clinic will provide an Advanced Beneficiary Notice (ABN) for the patient to decide if they would like to continue care at their expense.

Medicare Supplemental Plan: Medicare supplemental policies are designed to coordinate with Medicare and are plan-specific. Larger co-payments and additional benefits may apply. Some supplemental plans may pay for the Deductible and Co-insurance depending upon patient's policy. Please provide a copy of the Medicare supplemental insurance card at the same time the Medicare card is provided.

Medicaid: Please note that Medicaid covered services may vary by state. Medicaid recognizes payment for the following Chiropractic services only: Spinal Manipulations (a/k/a Chiropractic Adjustment) and X-rays when performed in conjunction with an Exam. Please note that it is our policy to obtain X-rays and perform periodic Exams as part of our treatment protocol, even though they are Non-Covered services and the patient's financial responsibility. Proof of insurance eligibility is required each month. Co-payments must be paid on the same day the service is provided. Non-Covered services are the patient's financial responsibility and due at time of service. Patients will have the opportunity to decide if they would still like to receive the service(s) if not covered by Medicaid.

Supplements / Durable Medical Equipment (DME):
Payment for these items is due at the time of purchase.

Returns / Exchanges / Refunds:
We do not accept returns or exchanges for opened or used items (supplements, DME's, therapy items, etc.), unless under manufacturer's warranty. Other items may be returned to the clinic of original purchase unopened and unused within 15 days of purchase for a refund or exchange.
